## ***New real estate franchise opportunity***

Jeffrey Sales, founder and CEO of Commonwealth Real Estate Services Corporation, Brokerage, whose charter dates back 35 years, says the time is right to franchise Commonwealth's good name and outstanding reputation.

"It gives me great pleasure to announce the opening of our first

franchise, Commonwealth Adventure Real Estate Inc., Brokerage, which is independently owned and operated by Carl Heath, Broker of Record.

The newly renovated, full-service real estate office, a member of the Muskoka & Haliburton Association of Realtors, with corporate ties to the Toronto Real Estate Board and surrounding areas, is located at Unit 4, 820 Muskoka Rd. S. in Gravenhurst.

It is anticipated that with Commonwealth's very generous commission splits, coupled with several private offices, that some of the best agents in the business will come on-board to professionally serve all prospective sellers and buyers requiring real estate services.

Commonwealth's corporate head office has been located on Lake Muskoka in Gravenhurst for almost 10 years, and represents about 200 sales representatives and brokers acting as independent contractors around Ontario.

Additional franchises are still available in several locations throughout the province.

For further information on this exciting new business opportunity, contact Jeffrey Sales, 705-684-8327 or 905-876-0460 (24-7) or Carl Heath, 705-345-5551 (cell).
